UNDERGRADUATE SCHOLARSHIP

for Indigenous Students commencing studies in 2010

Students applying for undergraduate study are invited to apply for the School of Psychology & Counselling Indigenous Scholarship in the following course:

Bachelor of Behavioural Science (Psychology)

QTAC Code: 445081

The value of the scholarship is half the value of the student's fees for the full-time duration of PY45 – Bachelor of Behavioural Science (Psychology). In addition, a one-off payment of \$500 is available to assist with study costs.

Selection is on the basis of personal interview and / or academic merit as measured by the applicant's OP score, or other equivalent study. Continuation of the scholarship is dependent on successful completion of all units in each academic year while enrolled as a full-time student.

The application form is available to download from the website.

Closing date: 12 February 2010
